A red circle with the number '1' is placed over the first checkmark. A second red circle with the number '2' is placed over the 'Export Selected Citations' button. A red arrow points from this button to the 'Choose your export options' section below. The search results list includes titles like 'Effect of outpatient pharmacists' non-dispensing roles on patient outcomes and prescribing patterns' and 'End-of-life care pathways for improving outcomes in caring for the dying'.
