EACA 2019 Poster Presentation Guidelines

*Please find your preassigned poster number at poster exhibit area, and kindly follow the instructions provided as the followings for the preparation and display of your poster.

■ **Poster Display**

1. All posters should be presented in English.
2. Each poster should be tapped to the display board (**160cm width**, **90cm height**) which will be distinguished with **Session Number** mounted on the top.
3. The size of poster should be measured within **90 cm max width** and **120 cm max height**.
4. Be sure to include the **abstract title**, **author name** and the **affiliations** on the poster.
5. It is recommended to include your contact information on the poster.
6. In order to ensure a high-quality presentation, all poster materials must be in printed form.
7. If you desire, you should prepare soft copies of your poster as EACA 2019 will not provide printing service on-site.
8. You are responsible to set up your poster.
